A person is building a snow fort on a snowy beach. The fort is constructed from several large, rectangular blocks of snow. The person is sitting inside the fort, and their head and shoulders are visible. The background shows a snowy beach and a blue sky. The text is overlaid on the image in a white, serif font. The text reads: "It is the small habits. How you spend your mornings. How you talk to yourself. What you read. What you watch. Who you share your time with. Who has access to you. It is small cumulative habits that will change your life. The answer is you." The text is arranged in a list-like format, with each line starting with a bullet point. The last line, "The answer is you," is in a larger, bolder font. At the bottom of the image, there is a hashtag "#TlSNomavi" in a white, sans-serif font.

It is the small habits.
How you spend your mornings.
How you talk to yourself.
What you read. What you watch.
Who you share your time with.
Who has access to you.
It is small cumulative habits
that will change your life.
The answer is you.
